WORK EXPERIENCE:

Associate Project Manager - Marketing *September 2025 - Present*
Keel (Project Management), Remote

- Lead the company's brand, marketing, and digital strategy, spearheading a complete corporate rebrand and website redesign from concept through launch. Oversee brand positioning, messaging, content strategy, SEO/GEO/AEO, and digital performance analytics, driving a 10x increase in weekly website traffic.
- Partner directly with CEOs, executive leadership, hospital administrators, architects, engineers, contractors, and consultants to support delivery of 16 capital projects involving 40+ stakeholders, managing project documentation, procurement, RFIs, submittals, vendor coordination, and client communications.
- Manage project and portfolio budgets, financial trackers, bid leveling analyses, purchase orders, contracts, and construction contract logs ranging from $1M to $16.9M.
- Drive business operations and growth initiatives by developing ISO 9001 documentation and standardized processes, leading recruiting and onboarding efforts, and supporting business development through proposal development, competitive research, market analysis, and executive thought leadership content.

Student Lead *August 2022 - May 2025*
Bentley University, Waltham, MA

- Supervised, trained, and interviewed a team of 20+ student employees while partnering with admissions counselors to coordinate daily operations, manage confidential projects, and resolve workplace issues.
- Represented Bentley University through individualized campus tours and presentations, tailoring the admissions experience to prospective students and families while serving as a trusted ambassador.

Marketing & Communications Intern *February 2024 - May 2024*
Mighty Well, Cranston, RI

- Developed data-driven social media content calendars aligned with brand objectives while monitoring performance metrics to refine content strategy and improve digital engagement.
- Conducted competitive and audience research, evaluated website user experience, and contributed to email campaigns, Shopify, and social content across LinkedIn, Instagram, Facebook, and Pinterest.

EDUCATION:

Bachelor of Science in Marketing and LSM in Quantitative Perspectives *September 2021 - May 2025*
Bentley University, Waltham, MA | GPA: 3.73
President, Bentley Italian Society
First Place, Bentley University Campus-Wide Professional Sales Competition
