| • SEO & Web Analytics | • Marketing Operations | • Stakeholder Management |

WORK EXPERIENCE:

Associate Project Manager - Marketing

September 2025 - Present

Keel (Project Management), Remote

- Lead the company's brand, marketing, and digital strategy, executing a complete corporate rebrand, designing website layouts and digital systems in Figma, and translating those designs into a fully built Webflow CMS site. Own brand positioning and messaging, SEO, Google Search Console, GA4 performance reporting, content development, and digital performance, increasing traffic fifteenfold.
- Partner directly with CEOs, executive leadership, hospital administrators, architects, engineers, contractors, and consultants to support delivery of 16 capital projects involving 40+ stakeholders, managing project documentation, procurement, RFIs, submittals, vendor coordination, and client communications.
- Manage project and portfolio budgets, financial trackers, bid leveling analyses, purchase orders, contracts, and construction contract logs ranging from \$1M to \$9.5M.
- Drive business operations and growth initiatives by developing ISO 9001 documentation and standardized processes, leading recruiting and onboarding efforts, and supporting business development through proposals, competitive research, market analysis, and executive thought leadership content.

Student Lead

August 2022 - May 2025

Bentley University, Waltham, MA

- Supervised, trained, and interviewed a team of 20+ student employees while partnering with admissions counselors to coordinate daily operations, confidential projects, and resolve workplace issues.
- Represented Bentley University through individualized campus tours and presentations, tailoring the admissions experience to prospective students and families while serving as a trusted ambassador.

Marketing & Communications Intern

February 2024 - May 2024

Mighty Well, Cranston, RI

- Developed data-driven social media content calendars aligned with brand objectives while monitoring performance metrics to refine content strategy and improve digital engagement.
- Conducted competitive and audience research, evaluated website user experience, and contributed to email campaigns, Shopify, and social content across LinkedIn, Instagram, Facebook, and Pinterest.

Bachelor of Science in Marketing and LSM in Quantitative Perspectives

September 2021 - May 2025

Bentley University, Waltham, MA | GPA: 3.73

President, Bentley Italian Society

First Place, Bentley University Campus Wide Professional Sales Competition
