GIULIA MORGAN

A: Newton, MA | **P:** (617) 581-8066 | **E:** giuliamorgan7@gmail.com | LinkedIn | Professional Portfolio

PROFESSIONAL EXPERIENCE:

Associate Project Manager - Marketing *September 2025 - Present*
Keel Project Management, Remote

- Built Keel's marketing function and led its rebrand and Webflow launch, using audience research, buyer personas and journey maps to shape executive-focused positioning, service messaging and navigation.
- Own Keel's content strategy and editorial calendar, developing executive thought leadership including an eight-part interconnected series and growing LinkedIn following 3x since the rebrand.
- Grew weekly website users over 10x in one year through SEO, content and analytics-led navigation updates, improving average sitewide Google search position from 100+ to 7.9 and briefing senior leadership biweekly.
- Support 16 capital projects with budgets of $1M–$16.9M, coordinating 40+ stakeholders on a single project while managing procurement, vendor coordination and direct communication with client CEOs and COOs.
- Wrote 25+ client proposals, developed ISO 9001 documentation, led recruiting and onboarding and coordinated monthly internal training sessions with internal and external presenters.
- Configured and implemented a ChatGPT agent to draft and proofread website copy in Keel's brand voice, supporting content development for the website launch.

Student Lead, Undergraduate Admissions *August 2022 - May 2025*
Bentley University, Waltham, MA

- Supervised and trained a team of 20+ student employees while partnering with admissions counselors to coordinate daily operations, manage confidential projects, and resolve workplace issues.
- Represented Bentley University through individualized campus tours and presentations, tailoring the admissions experience to prospective students and families while serving as a trusted ambassador.

Marketing & Communications Intern *February 2024 - May 2024*
Mighty Well, Cranston, RI

- Developed data-driven social media content calendars aligned with brand objectives while monitoring performance metrics to refine content strategy and improve digital engagement.
- Conducted competitive and audience research, evaluated website user experience, and contributed to email campaigns, Shopify updates, and social content across LinkedIn, Instagram, Facebook, and Pinterest.

EDUCATION:

Bachelor of Science in Marketing & Liberal Studies in Quantitative Perspectives *May 2025*
Bentley University, Waltham, MA | GPA: 3.73
President, Bentley Italian Society
First Place, Bentley University Campus-Wide Professional Sales Competition

Heart City Health Cafe | Academic Client Project
Led analysis of consumer interviews and survey data to recommend brand positioning, product pricing and growth opportunities for a health-focused cafe, presenting the strategy to the client.
